HEDY LAMARR

1914 - 2000

Brilliant, bold & talented concert pianist, an exceptional actress & inventor she seemed the perfect head for our restaurant

With Hedy similar to our local term "the Heads" & Lamarr means "water or sea" in Spanish

"The most beautiful woman in Europe", had 6 husbands. However, her enduring claim to fame was the invention of a secret communication system ("radar"), the forerunner to GPS, Wi-Fi & Bluetooth technology
